Have you always been interested in learning to row, but just aren't sure if it's right for you? Join us for this 3-hour Learn to Row introductory class.

Experienced members of the Wichita Rowing Association will introduce you to the different types of boats and language of rowing and you'll practice the correct rowing style. River conditions permitting, you get an opportunity to row on the Arkansas River with experienced rowers.

**Time:** 9am – noon

**Location:** Begins at Park Villa Shelter Building (1029 Bitting) and ends at Riverside Tennis Center handball courts (551 Nims Street)

**Cost** \$19

**Dates:** April 16 ♦ June 25 ♦ August 27

## SCULLING

Learn to row a sculling boat (pictured above) in five classes. The class will start with an introduction to rowing and a hands-on view of our shells. You'll learn rowing terminology along with the various parts of the boats. Proper form and techniques are demonstrated and practiced. Of course, there will be plenty of time to row these boats (specifically designed for beginners) on the Arkansas River.
